Summary

Driven and resourceful **Information Technology student** with a strong foundation in **web development**, **mobile app development**, and **cloud computing**. Proficient in **React.js**, **Next.js**, **Tailwind CSS**, **Flutter**, **Firebase**, and **AWS**. Proven ability to collaborate effectively in team settings and deliver high-quality projects. Passionate about leveraging technology to create innovative solutions and enhance user experiences.

Education

Dr. A.P.J Abdul Kalam Technical University
B.Tech in Information Technology (SGPA of 8.00)

May 2021 - June 2025
Ghaziabad, Uttar Pradesh

Experience

IVIXIA TECH LABS, Virtual
Flutter Developer

Mar 2024 – Present
Ghaziabad, Uttar Pradesh

- Promoted to Flutter Developer after demonstrating exceptional performance and technical skills.
- Developed Flutter applications with REST API integration using PHP provided by the team, incorporating various functionalities for a seamless user experience.
- Collaborated with backend developers to ensure efficient and secure data transmission between the app and server.
- Implemented features such as user authentication, real-time data updates, and responsive UI for enhanced user interaction.

IVIXIA TECH LABS, Virtual
Front-End Web Development Intern

Jan 2024 – Mar 2024
Ghaziabad, Uttar Pradesh

- Translated designs into responsive and user-friendly web applications using React.js, Next.js, and Tailwind CSS.
- Implemented coding standards, optimized performance, and streamlined processes for efficient front-end development.
- Collaborated with cross-functional teams to deliver cutting-edge web experiences and enhance user engagement.

Position of Responsibility

Cloud Computing Cell
Full-Stack Developer

Sept. 2022 – Present
Ghaziabad, Uttar Pradesh

- Served as Senior Coordinator and Full-Stack Developer, leading events, workshops, and speaking engagements.
- Contributed to a dynamic and collaborative environment, fostering growth and knowledge sharing.

Projects

TuneTide (Music Player) | ShazamAPI, Tailwind CSS, React.js, JavaScript

GitHub

- Integrated Shazam API from Rapid API for robust music metadata and enhanced music discovery experience.
- Employed Tailwind CSS to create a visually appealing, responsive, and user-friendly interface.
- Implemented interactive UI for playlist management, enabling users to add, remove, and reorder tracks dynamically.
- Incorporated music playback controls, including play, pause, skip, and volume adjustment, for an engaging listening experience.
- Enabled free music access and an infinite scroll feature for seamless browsing and exploration.

KA - Solutions | Tailwind CSS, React.js, JavaScript

GitHub

- Developed an e-commerce platform serving small and large businesses, individual sellers, and consumers.
- Implemented admin and user functionalities, product management, and responsive design.

Portfolio Website | *Tailwind CSS, React.js, Next.js, JavaScript*

GitHub

- Built a personal portfolio website using Next.js, showcasing expertise, projects, and achievements.
- Incorporated an interactive and user-friendly interface, comprehensive skill overview, project showcase, and contact information.
- Ensured responsive design for optimal viewing experience across various devices.

Flutter App Development | *Flutter, Firebase, APIs*

GitHub

- Developed cross-platform mobile applications using Flutter framework and Dart programming language.
- Integrated Firebase for authentication, real-time database, and cloud storage functionality.
- Consumed RESTful APIs to fetch and display data within the applications.
- Implemented responsive user interfaces with Material Design principles for intuitive user experiences.

Technical Skills

Languages: HTML, CSS, JavaScript, C, C++, Dart

Web Technologies: React.js, Next.js, Tailwind CSS, Bootstrap, APIs, RESTful Services

Mobile Technologies: Flutter, Firebase, APIs

Developer Tools: VS Code, Git, GitHub, Vercel, Netlify, AWS, Firebase

Certifications

AWS Certified Cloud Practitioner

React - The Complete Guide (Udemy)

Flutter & Dart - The Complete Guide (Udemy)

Achievements

Recipient of the "Best Performer Award" at the Cloud Computing Cell for outstanding contributions.

Participated in various hackathons and coding competitions, showcasing problem-solving and teamwork skills.
